

Our Vision

A social group open to women of all ages & levels of play that enjoy golf. The group tees off early Saturday mornings & provides a great way to meet other golfers while maintaining a standard of “fast, safe, and courteous play.”

2017 is our 22nd Season!

Thanks to all who have played in the past seasons & those who have volunteered their time & effort to maintain & enhance this group.

Thanks to the management & employees of “Lake Oswego Public Golf Course” for use of the course & facilities. Their continued support, cooperation & interest have helped “Golf for Kicks” remain a success.

Let’s Play “Golf for Kicks”

Learn the game, improve your skills.

Meet new friends & enjoy nature.

Most of all have “FUN”.

About “Golf for Kicks”(GFK)

We play 9 holes at tee times starting at 8:30am-10 minute intervals, on Saturday mornings. One warm up token included.

Regular organized play begins May 13th, 2017. Shot Gun Start begins at 9:00am sharp.

(Shot Gun Start is where everyone begins at designated hole and when you hear the Blow Horn you may begin playing.) All players are done at the same time-approx. 1 ½ hours.

Sign-up each Saturday for the following week’s tee time, or you may call the course to book a tee time.

Out of courtesy to the course & GFK members, please call 503-636-8228 to cancel your tee time--48 hours’ notice would be appreciated.

GUESTS

Members are welcome to bring guests anytime-just remember to book a tee time for your Guest.

Discounted Green Fees and Range Cards are available online, providing you additional savings. Go to the Lake Oswego Public Golf Course website and choose the card that lets you play weekdays & weekends. Purchase online and your Card will be at the front desk waiting for you.

OTHER INFORMATION

- Arrive & be ready to play at least 10 minutes before your tee time. There are often opportunities to tee off early or join a group that is short players.
- We play 9 holes in 90 minutes. If there is an open hole ahead, your group is playing too slow.

Play “Ready Golf”. This means the first person ready to tee off does so, regardless of scores on the previous hole. Record hole scores when teeing off at the next hole. Help to keep your group moving.

Never offer instruction or advice to your fellow golfers unless it is asked for.
